<b>Mitigation Plan Public Meeting</b>	<b>10/18/2010</b>	<b>26</b>
<p>A joint committee and the Mandatory Public meeting was held at 4 P.M. at the City of Jacksboro City Council chambers prior to the monthly County Commission meeting. Notice of the meeting, inviting public comment on construction of a countywide mitigation plan was publicized in local newspapers and posted in public municipal buildings. The intent of the meetings was to educate the committee and the public on the mitigation planning process and to explain DMA2K multi-jurisdictional planning requirements. A presentation of the mitigation planning process, the concept of hazard mitigation and detailed the mitigation planning process to be followed was presented. A participant survey was distributed. Specific issues including the need to gather, analyze and incorporate existing information helpful to the planning effort such as mitigation or hazard-related plans, policies, programs, studies, reports and technical documentation were discussed. Following the presentations, Campbell County Emergency Management addressed questions raised by the attendees.</p>
